Martha/Georgia/Ann:

I hope y'all are doing well. I'm just checking in to see if we are any closer to having a date/time nailed down that works for the 4 executives for this briefing (Bob, Nancy, Dennis and Paul)?

Thanks for any update you can give.

Martha:

If we (the Bristol Bay team) were able to get everything prepped by Monday. Is there a time Monday PM that works for everyone?

I will have a better sense of where we are on prep later today and whether or not Monday may be doable.

Thanks, Palmer

Nancy has something on her calendar out of the building at that time, but I'm going to double check with her and then let you know once I find out. Thanks so much.

Good idea. Looks doable on this end but I leave it to Martha and Matt Magorrian to determine if Nancy and Dennis are available for the extended time.

Ann:

Since Bob, Nancy, Dennis and Paul all have the weekly Wed call on BB on their calendars. Can we just extend the call next Wed 6/22 from 5-6 PM ET. That should be long enough for the Executive Briefing on the BB assessment.

Thoughts?

Its always possible but the rest of th week looks tight. Let Martha know when you'll be ready and scheduling will take it from there.

Ann,

I just left you a voice message and am forwarding Palmer's email below. I know you had mentioned that Bob S. and Nancy are available on Monday but it looks like that would not be workable for the group. Could we schedule something with Bob S. and Nancy later that week?

Thanks,
Danielle

Danielle:

I got your message. I think the times you suggest on Friday and next Monday are too soon for the group.

So I would not suggest them as options.
